Extended hours of work can create carelessness—take adequate rest breaks.

#### Areas of coverage for loss by death:

- from natural causes, illness, disease or accident, including fire or lightning; or
- Caused by intentional destruction
  - a) when necessary and occurs within 12 hours of accidental crippling or maiming, and a licensed veterinarian so certifies prior to the destruction.
  - b) where destruction has been consented to in writing by the Company.
- for loss or damage because of theft (excluding escape or mysterious disappearance).

**Policy exclusions and provisions apply as noted in policy wordings.**

#### Veterinary Fees

Coverage under this policy is extended to reimburse veterinary fees when such expenses are incurred directly as a result of an attempt to preserve the life of a sick or injured animal, up to but not exceeding 10 percent of the insured value of the animal concerned as stated on the Declaration Page or \$1000 whichever is less. This extension of coverage does not apply for regular or routine veterinary charges or for veterinary expenses incurred during birthing.

#### Dead Stock Removal

This Coverage pays for the cost of removing debris of the livestock insured under this policy.

This coverage, however, does not insure against direct or indirect loss, damage, cost or expense, arising out of the clean-up, removal, containment, treatment, detoxification, decontamination, stabilization, neutralization, or remediation resulting from any actual, alleged, potential, or threatened spill, discharge, emission, dispersal, seepage, leakage, migration, release, or escape of “pollutants”.

Further, this coverage does not insure against direct or indirect loss, damage, cost or expense, for any testing, monitoring, evaluation or assessing of an actual, alleged, potential, or threatened spill, discharge, emission, dispersal, seepage, leakage, migration, release, or escape of “pollutants”.
